Neha Sane

(617) 216-3714 | nehasane@mit.edu

Education

Massachusetts Institute of Technology *Cambridge, MA*

Bachelor of Science in Computer Science and Artificial Intelligence Expected May 2029

Concentration in Writing

Relevant Coursework: Introduction to Probability & Statistics (18.05), Introduction to Computational Thinking and Data Science (6.100B), Mathematics for Computer Science (6.1200), Design & Analysis of Algorithms (6.1220), Fundamentals in Programming (6.1010), Calculus (18.01, 18.02), Physics E&M (8.02)

JBCN International School *Mumbai, India*

International Baccalaureate Diploma Program *Graduated May 2025*

IBDP Score: 40/45, Salutatorian | Perfect scores (7/7) in Economics, Mathematics, Chemistry, and Physics

LEADERSHIP & EXPERIENCE

Competitive Programmer & Algorithm Developer *2021 - Present*

- Developed advanced problem-solving frameworks for complex algorithmic challenges under time constraints, by solving 1000+ problems, and competing at the national and international level.
- Selected for India's national training camp (IOITC) focusing on optimization, data structures, and analytical reasoning, for 3 consecutive years – limited to 40 people

Team Lead – AppDev @ MIT *2026 - Present*

- Developing a resume-driven sorting engine in Python using scikit-learn and Pandas for text parsing and scoring to rank student resumes for MIT Undergraduate Research Opportunities.

Algorithmic Trading Bot Project – AI @ MIT *2026 - Present*

- Collaborating with a team to develop an AI-powered trading bot using Python, scikit-learn, yfinance and other finance APIs that analyses market data and executes algorithmic strategies
- Leading weekly design discussions on trading strategies, data pipelines and performance metrics

AWARDS AND ACHIEVEMENTS

2x Bronze Medalist, European Girls' Olympiad in Informatics (EGOI) *2024 - 2025*

Competed against top 4 performers from 50+ countries in largest international programming competition for high school girls

3x Team India, EGOI *2023 - 2025*

Selected from nationwide talent pool as one of the top 4 girls in programming in India

Rakesh Jhunjhunwala Full Merit Scholarship *2024 - 2025*

Awarded full tuition scholarship for well-rounded excellence during the 2-year IB Diploma Program

ACTIVITIES AND INTERESTS

Squash Club, Swimming, AI@MIT, AppDev@MIT
